MEMORANDUM AND ORDER

Fullam, Sr. J.

June 19, 2008

Counsel for the parties have submitted for approval a proposed stipulation and protective order restricting the disclosure of confidential information. The proposed order, if implemented, would impose significant burdens upon the Clerk's Office. There is no suggestion of any real likelihood that trade secrets or other confidential business information will need to be protected. The requirements of Pansy v. Borough of Stroudsburg, 23 F.3d 772, 788 (3d Cir. 1994), have not been met. Although the parties are free to carry out the terms of the stipulation, I decline to adopt it as an order of the court. The attention of the parties is directed to the Local Rules of Civil Procedure, which govern redaction of personal information and the filing of documents under seal.
